

2010 TRUCK CAMPERS
DISCOVER A NEW WORLD

Bronco | Maverick | Winter Creek

Discover a whole new world of fun and adventure with the Bronco folding truck camper. This lightweight truck camper features a pop-up roof that raises with an easy-to-operate crank system, creating a spacious interior with full stand-up room and lots of convenient features. The exterior is constructed with sturdy laminated sidewalls on the lower portion of the unit and durable vinyl coated canvas on the upper portion. Most importantly, the Bronco's lightweight, low profile design gives you better fuel efficiency and on or off-the-road handling.

Model B-1200

Palomino
Maverick

Take to the road with abandon. Maverick has all you need for your traveling pleasures. The Maverick offers all the amenities of a travel trailer in an easy, on-the-go truck mounted unit. With a handsome smooth fiberglass exterior, the efficiently designed interior is fully furnished with features not usually found in other truck campers. A queen size bed with Serta® mattress, fully equipped galley, complete bathroom facilities, storage closets, and even a slide-out for expanded living space give you comfort and value.

Experience
the freedom.

- Optional LP generator

PALOMINO RV ENCOURAGES YOU TO BUY LOCALLY

Palomino RV strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- Our Dealers are, as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Palomino products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Palomino customers who are traveling away from their local dealer as they would their own.
- Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

- The opportunity for a thorough PDI (Pre-Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer, further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

Palomino RV's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
